WXYZA BCDEFGHIJKLMILESTONESTUVWXYZABCDEFGHIJKLMILESTO

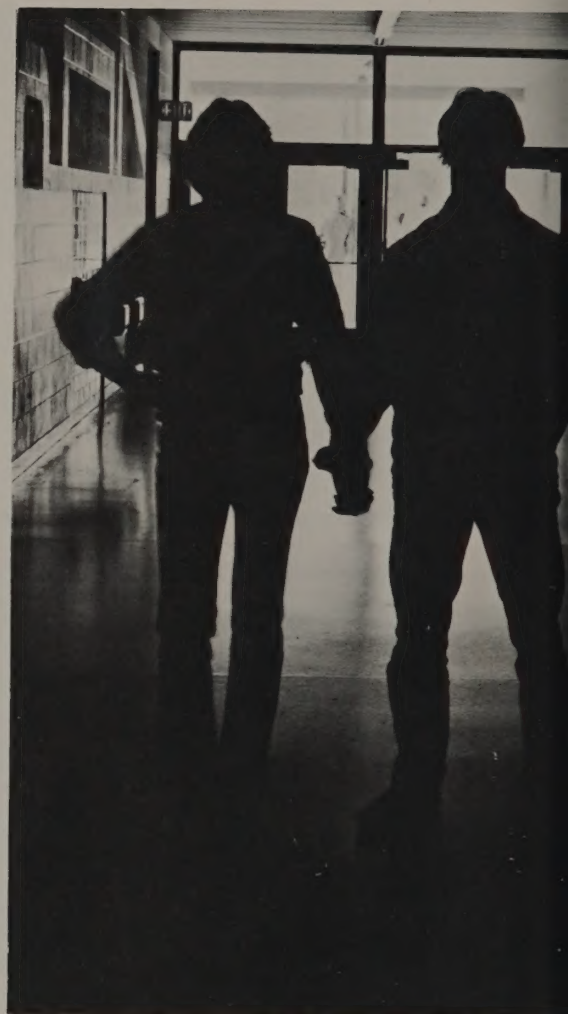

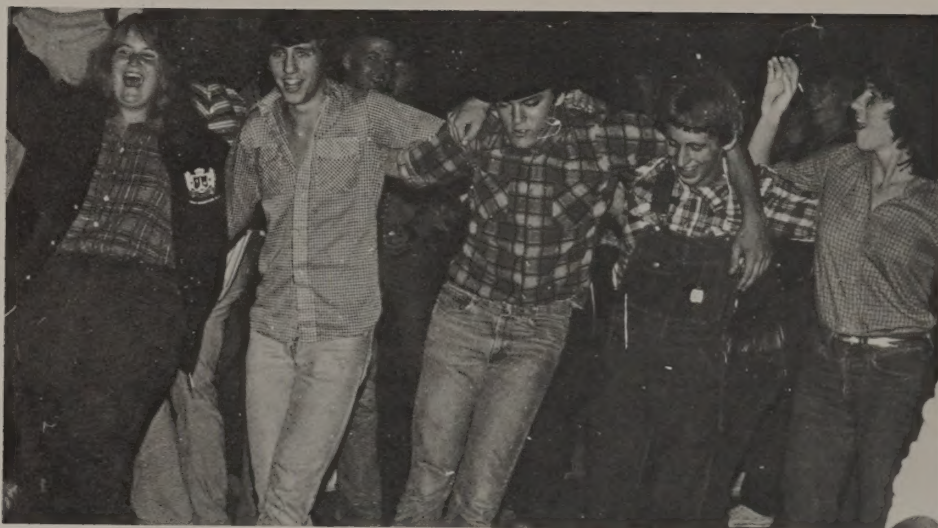

be-gin-nings (bi gin ings) pl. n. 1. the first parts or initial stages of anything. 2. Frank Small unlocking the doors on the first day of school. Juniors and seniors strolling casually to their first class, laughing at the sophomores who rush frantically up and down the halls, clutching a schedule, and searching desperately for room G-8. Going into Contemporary U.S. Studies with no books and coming out with two and a homework assignment. Thinking that it's not fair that flushing sophomores isn't allowed any more. Finding out that you have a library book overdue since last year. Learning that lunches cost a nickel more but still taste the same. Will I make it through another year of school?

## BEGINNINGS

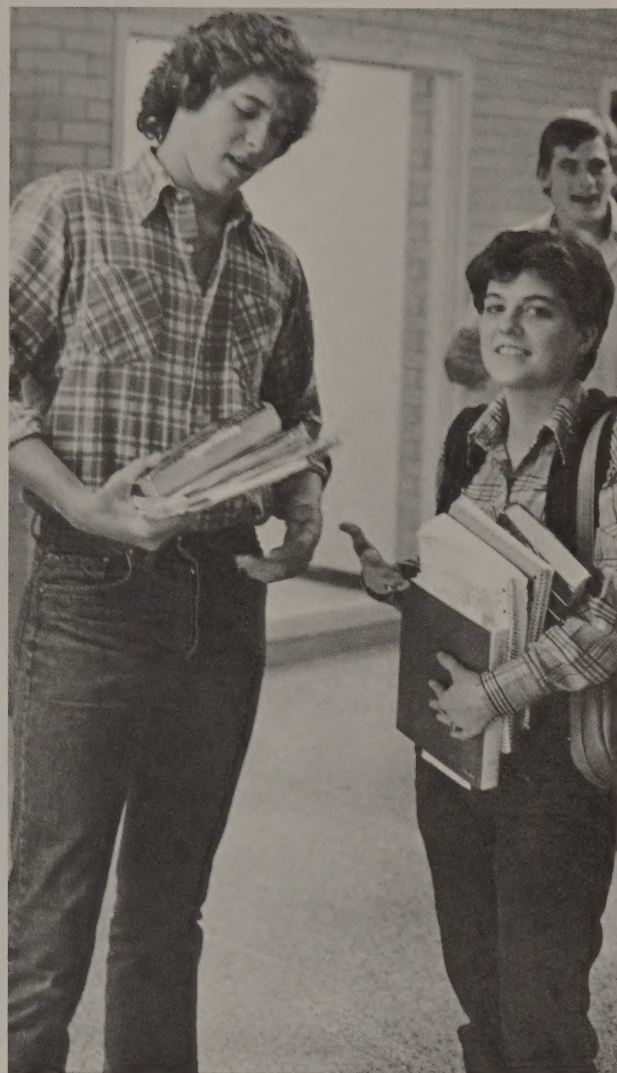

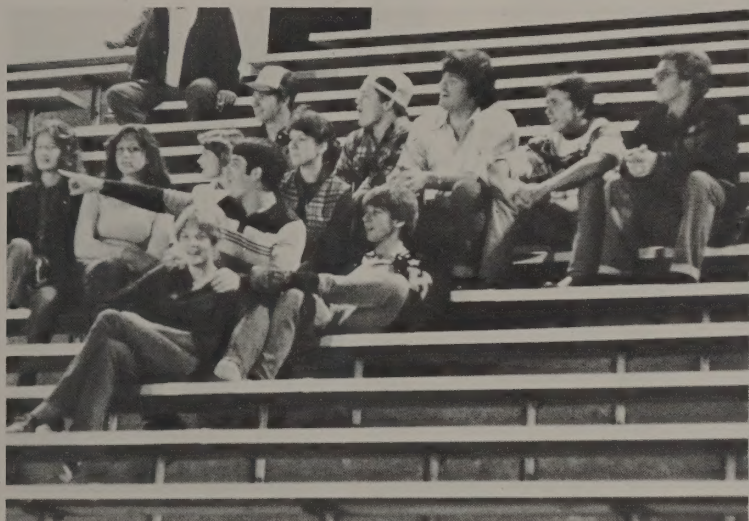

ESTUVWXYZABCDEFGHIJKLMILESTONESTUVWXYZABCDEFGHIJKLM

ESTONESTUVWXYZABCDEFGHIJKLMILESTONESTUVWXYZABCDEFGHI

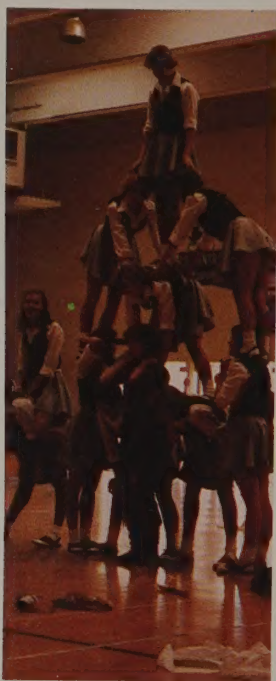

friend • ship (fren(d) ship) n. 1. feeling of companionship. 2. Reunion. Finding out that your best friend is in all of your classes. Finding out that the good-looking guy you've been in love with for three years is your Biology II partner. Missing all of your friends who graduated last year, but making lots of new friends in the sophomore class. Young love as you discover that the sophomore who had a crush on you last year grew up over the summer. Finding out that the teacher you thought was such a pain last year is really a terrific person. And learning that your friends are the best thing going at KMSHS.

## FRIENDSHIP

JKLMNOPQRSTUVWXYZABCDEFGHIJKLMILESTONESTUVWXYZVW

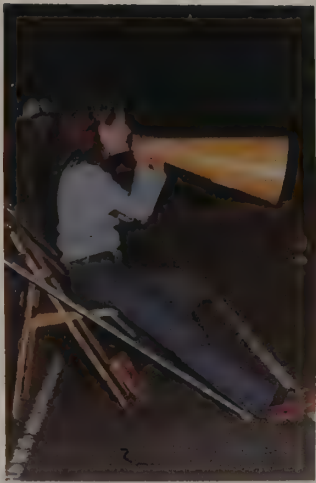

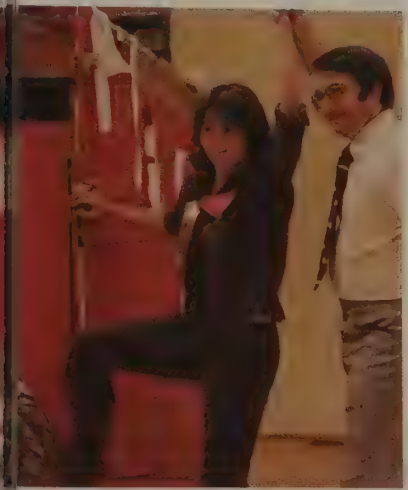

spir-it (spir it) n. 1. vigorous sense of membership in a group: school spirit. 2. Cheering at pep rallies until you're hoarse. Coming to football games wearing shorts when everybody else is freezing. Screaming and jumping up and down when the team wins; letting the tears of disappointment flow freely when they lose. Trying to understand what's going on at a wrestling match. Getting lost on the way to a basketball game at South Point and finally getting there just as the game is ending. Going to a baseball game and groaning as somebody hits into a double play. Watching the boys' tennis team freeze during a February match. Being a Mountie!

. The End

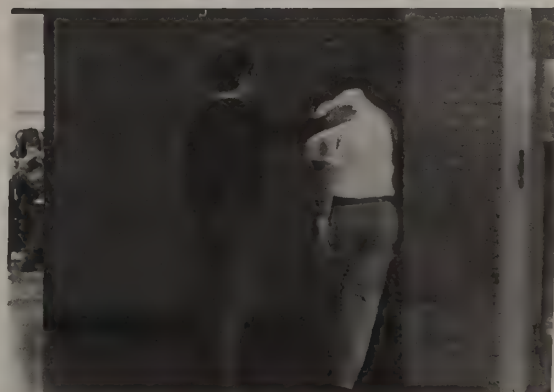

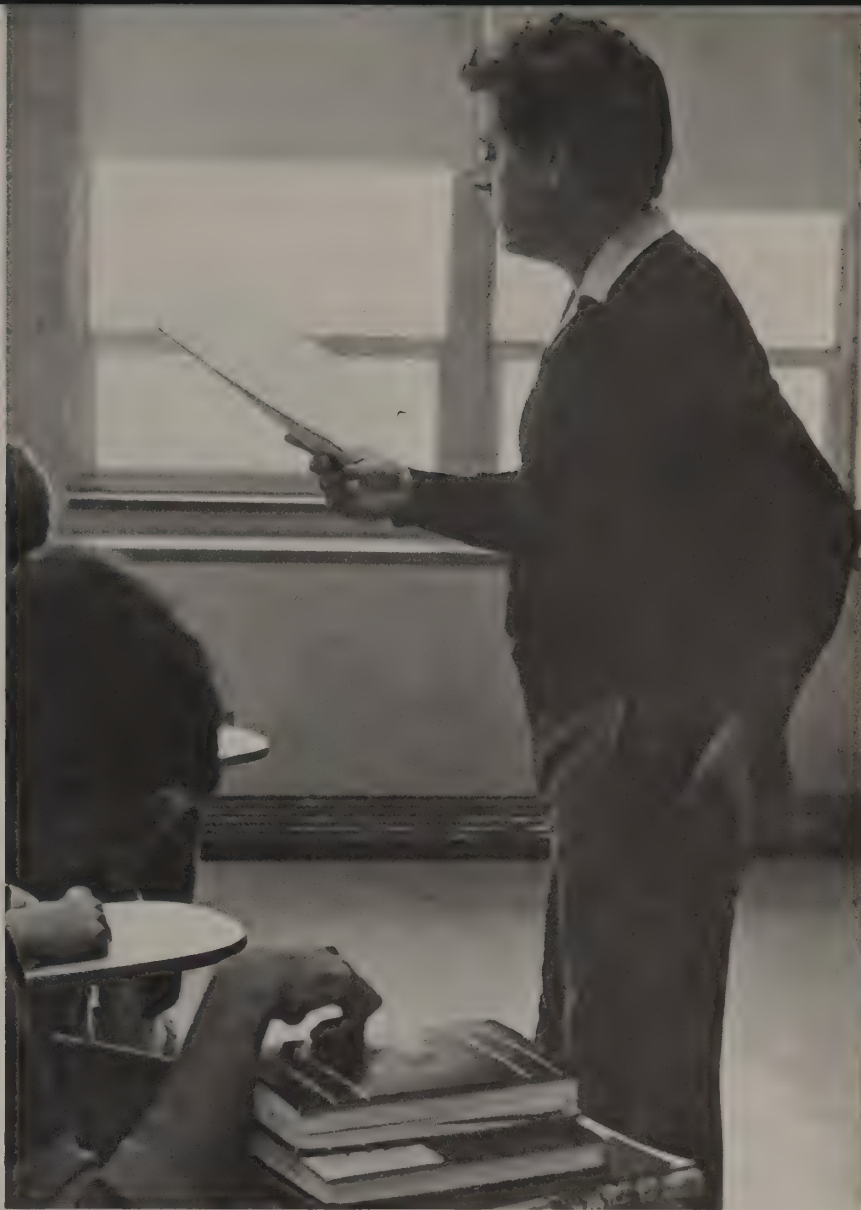

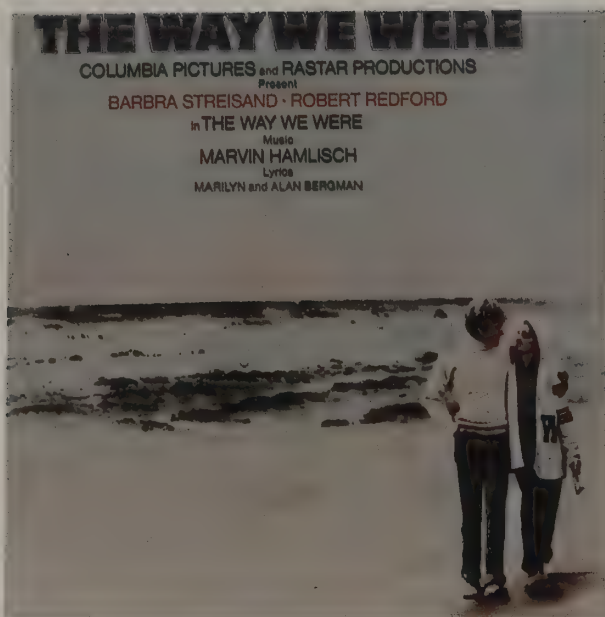

Steve Baker — B.A. in Social Studies from Pfeiffer College. Junior High School teacher. Senior High School teacher, football, cross country, track and girls basketball coach. Learning Disabilities teacher since 1976. Married to Joan King Baker. Member and Sunday School teacher at First Baptist Church in Kings Mountain.

If you've ever asked anyone about Steve Baker, you probably received an answer similar to this: "He will go any length to help his students, not for self gratification but because he cares deeply for each and every human he encounters." The students at KMSHS have known that for a long time. Kings Mountain set a state record in 1978 with a Muscular Dystrophy Dance-a-thon that raised over \$6,600. Mr. Baker conceived, organized, and was the driving force behind this success. At school each day, you can find him running around the halls making sure KMSHS is set for smooth sailing.

How can you thank a man who has done so much for a community that it's impossible to write down all his contributions? The Senior Class you would like to try by dedicating the 1979 MILESTONES to ... Mr. Steve Baker.

"Keep your feet on the ground, but  
keep reaching for the stars"

Mem'ries light the corners of my mind  
Misty watercolor mem'ries  
Of the way we were.

Scattered pictures of the smiles we left  
behind

Smiles we gave to one another  
For the way we were.

Can it be that it was all so simple then  
Or has time rewritten every line?  
If we had the chance to do it all again  
Tell me . . . would we, could we?

Mem'ries may be beautiful and yet  
What's too painful to remember  
We simply choose to forget  
But it's the laughter  
We will remember  
Whenever we remember  
The way we were . . .  
the way we were .

Contemporary U.S. History or Contemporary U.S. Studies is required of all students at KMSHS during their Senior year. Current events quizzes, pop tests, terms papers and long chapter tests are popular in these two courses. If you study and pay attention in class, like Cathy Heavener, you'll pass. If you're like Chuck Walker ... then again how many people are like Chuck Walker?

Time. When you're a Senior, time flies. Picking up schedules, "Are you in History first period?", paying for Senior portraits, ordering caps and gowns, getting annuals, and graduation night. It seems like yesterday was last summer and you had all the time in the world to think about tomorrow. That tomorrow is today. "Am I ready for my future?" Are you?

Sallee gets a kick out of being co-captain of our varsity cheerleaders. Being a cheerleader takes an effervescent personality, keen academic abilities and a smile that won't quit. Our student body felt Sallee displayed these qualities so well that they elected her Homecoming Queen 1978.

The Kings Mountain School Board consists of five elected members. The Board's chairman is Mr. Alex Owens who is a self employed landscaper. The other board members are Mr. William McDaniel, who delivers mail for the post office; Marian Thomasson, who is a housewife and mother, June Lee, who is also a housewife and mother; and Kyle Smith, who works in The Public Relations Department for a textile firm in Kings Mountain. The School Board is responsible for approving many of the programs and activities at Kings Mountain Senior High School as well as the other schools in the system. Their work is greatly appreciated throughout the school system.

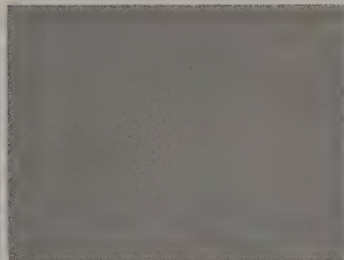

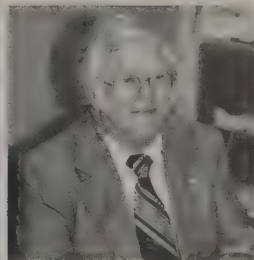

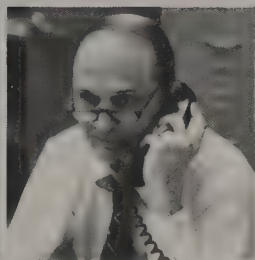

Blaine Froneberger — Vice Principal  
W. Forrest Wheeler — Principal

Rick Witherspoon, Terry Bumgardner, Debbie Wells, Timmy Leach. The Guidance Aides are very valuable to the guidance department. They provide assistance to Mr. Blalock, Mrs. Johnson, and Mrs. McWhirter.

Angie Hickman, Ruth Hullender, Chip McGill, Shelly Pearson, Carla Bridges, Sabra Bristol, Robin McSwain, Melany Clark, Tricia Blalock, Sallee Durham and Jeff Moss. The office Aides help the office staff in various ways, such as answering the phone, running errands, and making announcements. The office functions better as a whole due to the efforts of the office aides, as a matter of fact, it could not run without them.

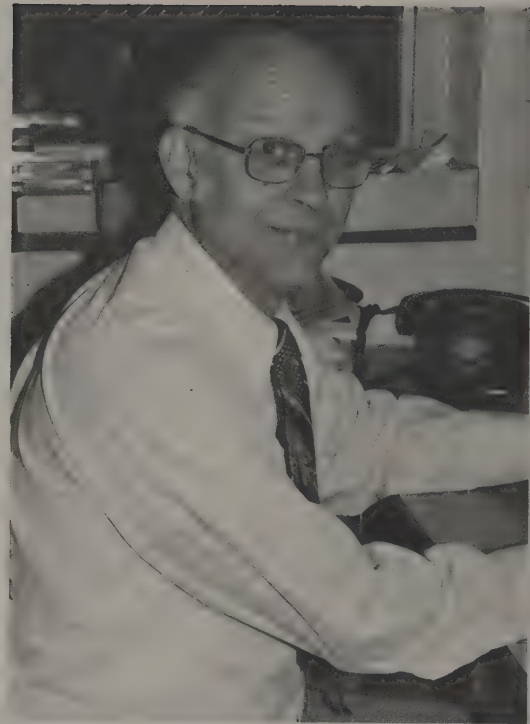

Regina Dixon is a '77 graduate who didn't want to leave. She is now Kings Mountain High School resident "gal Friday." It's hard to imagine what the guidance department would be like without Regina.

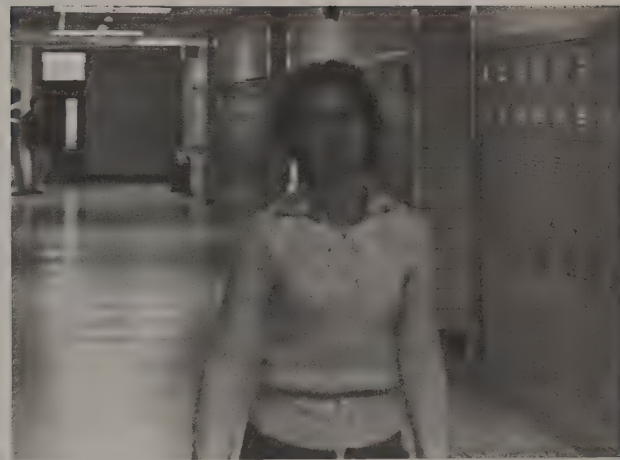

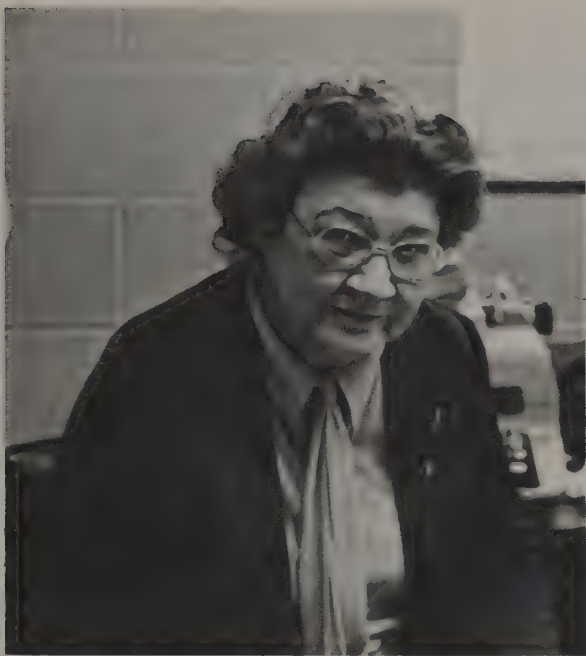

Above: Gene Bumgardner, Myrle McClure, Diane Harper  
Left: Donald Deal

The Chorus members of KMSHS are very sad to have lost Mrs. McClure this year. However, they feel that they are very fortunate to have gained such an excellent director as Mr. Gene Bumgardner.

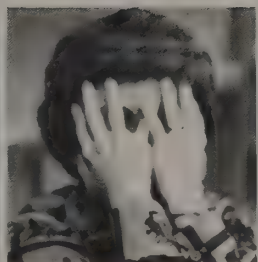

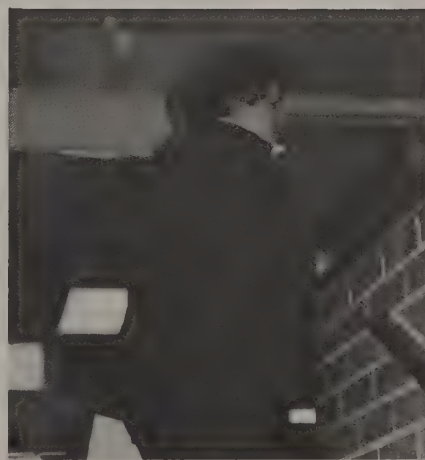

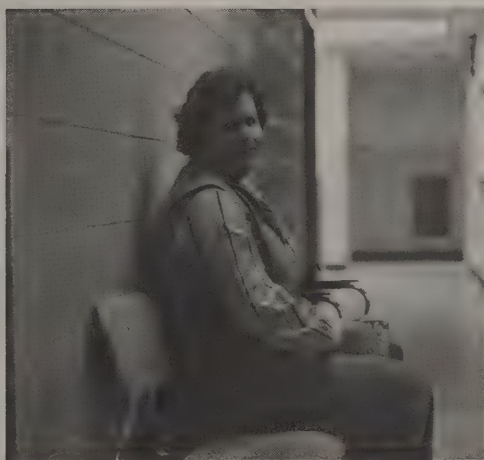

Guidance Counselors: Margarite Johnson — Jr. counselor; also in charge of testing. D.B. Blalock — Senior counselor; also does his best to get seniors into the college of their choice. Carolyn McWhirter — Sophomore counselor; also in charge of registration.

Youth Occupation Services: Anita Campbell. Mrs. Campbell does a great service to KMSHS by helping to secure jobs for its students. Another part of her job is helping students to select the college that would best suit them.

Food Service: Standing: Judy Bowman, Jackie Grigg, Suzane Davison, Sitting: Ruby Staton, Cafeteria Supervisor — Joyce Hord, Nancy Wilson, Margaret Hamrur, Marry Bennett, Becky T. Cook, Ruth Lynn, Mattie Adams

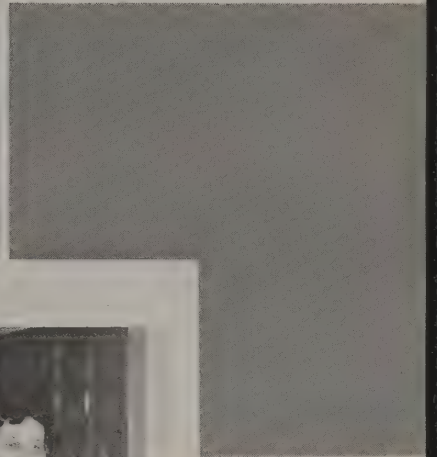

Custodians: Frank Small, Jessie Yarborough, Stowe Dellinger. Kings Mountain Senior High School would not be same without its custodians. Keeping the school clean is a big job, usually taken for granted.

David Brinkley, Bob Jones, Kathy Brooks, P.E. Student Teacher: Charlotte Kelso. Physical Education (noun) Instruction in sports, exercises, and hygiene, especially as part of the High School program. Their school activities extend beyond the regular school day into other various sports activities such as: Mr. Brinkley being assistant football coach, Mr. Jones as golf coach and Mrs. Brooks as Girls' Varsity Basketball coach. P.E. also gives students the opportunity to relax and forget their troubles from other classes.

## MOREHEAD SCHOLARSHIP NOMINEES

A Morehead Award is an honorary award accompanied by a grant of money to finance the recipient's undergraduate study at the University of North Carolina at Chapel Hill. The grant for each year of college is \$3,000 which covers the year's tuition, room, board, laundry, books, all student fees and incidentals expenses. In making awards, the John Motley Morehead Foundation regards the qualities of (1) the evidence of moral force of character and of capabilities to lead and to take an interest in schoolmates, (2) scholastic ability and extra-curricular attainments, and (3) physical rigor, as shown by participation in competitive sports or in other ways. Students are nominated by a Nominating committee in their school. Nominees then proceed to the County Selection Committee in October. Three students are selected from Cleveland County to be interviewed by the District Selection Committee in January. Students selected by the District Committee will go before the Central Selection Committee at Chapel Hill in March. Until four years ago, only boys were eligible for the Morehead Scholarship. This year, for the first time, all of the County nominees and the alternate were girls.

KMSHS's Morehead Nominees were Todd Gatts, Lindsay Holmes, Cindy Wells, and Kenny Vance. Lindsay was one of those chosen by the County Selection Committee to proceed to district competition. Incidentally, two years ago, Kings Mountain's Morehead Nominee who went on to be a Morehead recipient was Lindsay's brother, Chris. Maybe it runs in the family.

## Baseball (as explained to a foreign visitor)

You have two sides, one out in the field and one in. Each man that's in the side that's in goes out and when he's out he comes in and the next man goes in until he's out.

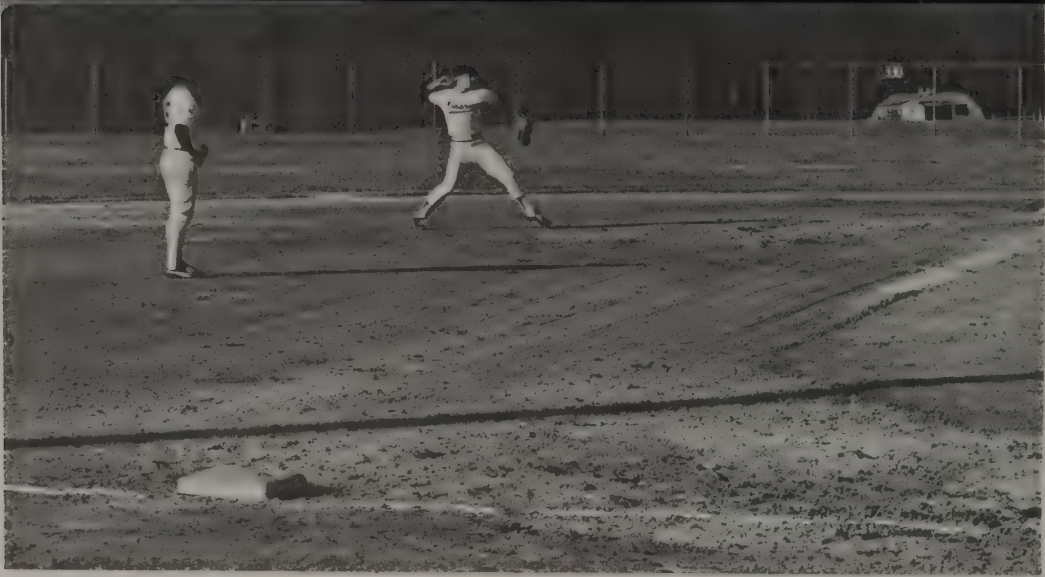

When three of the men on the side that's in are out the side that's out comes in and the side that's been in goes out and tries to get those coming in out.

Sometimes you get men still in and not out. When both sides have been in and out including the not outs nine times that's the end of the game.

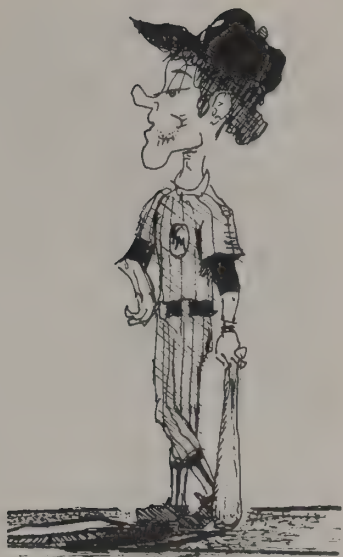

Got it?

# Varsity Football Go Mounties!

A chilly Friday night in September. The stands are filled with the aromas of popcorn, coffee, and hot chocolate and the sounds of cheering fans. The band marches out on the field for the pre-game show, plays the "Star-Spangled Banner," and forms two lines. The crowd holds its breath in anticipation, then cheers madly as the Mighty Mounties run through the two lines while the band bursts forth with "O, Davidson". The fans go wild! The crazy guy wearing the shorts takes pictures! Everybody's ready for the Mounties to go into action.

## Golf Golf Golf

Golf is a game played with a driver, brassie, spoon, baffy, cleek, midiron, midmashie, mashie iron, mashie, spade mashie, mashie niblick, pitching niblick, niblick, wedge, and putter. The golfer takes his driver (the club not the operator of his cart) and tees up the ball (better to be teed up than teed off) and addresses the ball (I don't know where you address the ball or what the zip code is). The ball has dimples for more stability in flight; it is not necessary for the golfer to have dimples or to be stable. The golfer then hits the ball as hard as he can in order to lose the ball. Then he gets in his cart (remember that golf is a sport for exercise) and tries to find the ball he just lost. When he finds the ball he hits it and loses it again. He gets back in his cart (exercise remember) and starts looking for the ball again. He does this two or three times until he approaches the green. Surrounding the green are several sand piles for the golfer to play in if he gets tired of losing the ball. He then tries to get the little white ball into a grassy area. After much squinting, looking, and figuring he hits the ball toward the cup. Then, for some unknown reason, the golfer jumps up and down, swears, and throws his club (I guess this is where the exercise comes in). He does this two or three times until the ball goes into the cup, which should be the end of the game, but no, he takes the ball out of the cup and starts all over again. I think the end of the game occurs at something called the nineteenth hole where all the golfers practice getting stable.

# Spirit Week

This year our varsity cheerleaders sold homecoming ribbons to promote spirit and raise money. The ribbons went quickly as both students and teachers alike bought them.

Spirit Week: Hat and Sunglasses Day, Fifties Day, Sucker and Sock Day, Fleuf Day, Black and Gold Day.

Of all our Spirit Day, Fleuf Day was the most fun and creative. Students were dressed as mice, stormtroopers, pumpkins, and even a crayon, but the favorite costume of the day was the Toga!

# 1978 Homecoming Parade

The 1978 Homecoming Parade was a huge success!

There were many creative entries and the club floats were the best ever. Many students and adults turned out to see one of the best Homecoming Parades ever presented by the students of K.M.S.H.S.

This years winning float was the Drafting club, 2nd place was awarded to the Pep Club, and 3rd place went to the Beta Club.

Homecoming Court: Penny Biddix, Carla Mauney, Sallee Durham, Teresa Dover, and Tamra Jeffries.

The Nominees for the 1978 Homecoming Queen are: Penny Biddix sponsoring DECA, Teresa Dover sponsoring the Art Club, Sallee Durham sponsoring the Pep Club, Tamra Jeffries sponsoring the Spanish Club, and Carla Mauney sponsoring the Drafting Club. May I have the envelope, please . . .

# Homecoming Queen

... and the winner is Miss Sallee Durham! Sallee is the seventeen year old daughter of Dr. and Mrs. TG Durham. She is co-captain of the cheerleading squad and is involved in several school organizations, including SAE, The Beta Club, and the Pep Club. Her future plans include attending the University of North Carolina at Chapel Hill.

The ballots are counted and the name of the Homecoming Queen is announced. But there's a lot of work that goes into selection of the Homecoming Queen. First, any school organization that pays the \$10.00 registration fee and enters a float in the Homecoming Parade may select a Homecoming nominee. The student body then votes on the nominees and the top five are designated as the Homecoming Court. The students select the one lucky girl from the court to be the Homecoming Queen.

Dances are becoming increasingly popular at our school. Dance season began Homecoming Night with a Big WAYS Disco by Sandy Beach. Our next dance of the year was a Sock Hop sponsored by the Pep Club when we discoed down with the fantastic sounds of Mr. Mark. Lest we forget our 12-hr. MD Dance-a-thon with music by various D.J.s and artists. Whether you like the Bus-Stop, California Strut, Shag, Jitterbug or square dance you can find music to suit your tastes at one of our Kings Mountain jams.

The ICC coordinates the club activities of our school such as spirit week, dances, meetings and fund raising events. They hope to revitalize KMSHS'S club system and improve its efficiency.

# Endless

It's hard to believe that just a few hours earlier the cafeteria still looked like the cafeteria. It took hours and hours of hard work to transform a plain dull cafeteria into the mystical fantasyland you're standing in now. Everything, from the table decorations to the wall mural, looks so beautiful, so magical. It seems like it's another world that you can enter only with the special someone who's holding your hand. Every guy looks the best in his tuxedo, and every girl holds her breath at the arrival of each new couple, until she's sure that no one else's dress is like hers. The band begins to play, first a few fast songs, then a slow romantic number. And as you and your date dance in each other's arms, it's as if the two of you are all alone in the Junior-Senior Dreamland.

# Summer

# Endless Summer

The theme of the 1978 Junior-Senior Prom was "Endless Summer". A wall mural of the Pavilion at Myrtle Beach as well as table decorations like sea shells, fish nets and sand buckets carried out the prom's theme. Chase lights around the doorway and a mirror ball on the ceiling gave the impression of being on the Grand Strand at Myrtle Beach.

The Junior-Senior was attended by many. The band, Continental Divide, played a variety of Top 40 hits and was well received.

#### MRS. MCCLURE RETIRES

By: Barbara McClain

Mrs. M. McClure is retiring from teaching. She has been at KMSHS for 18½ years. Mrs. McClure taught six years in Kentucky and six years in Tennessee. She attended Oberlin College for her undergraduate degree, and received her masters degree from the University of Cincinnati.

At age 5, she started to play the piano and has loved music since that time. Mrs. McClure's reason for teaching was that she liked to work with young people. Music has brought her many joys, but the greatest joy is when she can help a student. She has been in her choir goes on to college and participates in honorary courses. Her favorite music is classical.

but she also enjoys listening music.

When asked if she felt education had changed in the past 10 years, Mrs. McClure responded that students had lost the respect for education. Now the tide is changing and respect for education is returning.

Mrs. McClure has made plans for traveling after retirement. The first trip will be to California.

The Journalism class strives to: Demonstrate qualities of clear thinking, clear statement, accuracy and fairness in each issue of The Mountaineer; Present news, editorials, sports and entertainment columns to serve the best interests of its readers; Be constructive, tolerant but never careless in our reporting; Be respectful of our readers, but always unafraid to report the truth. The 1978-79 Mountaineer Staff feels that the supreme test of good journalism is the measure of its public service.

# Can't Stop Dancin' Dancin' Da

The students of Kings Mountain High would like to express their deep appreciation to the area merchants, radio stations and bands who contributed their time, money and services to the Muscular Dystrophy Dance-a-thon. Their unselfish support helped make the Dance-a-thon a great success with over \$6000 raised to help fight Muscular Dystrophy.

Twelve hours. A long time to dance. At first you're eager and enthusiastic, but as the hours wear on, your tempo slows down and a dull ache begins in your ankles and works its way up your entire body. The last few hours are the worst.

Due to the overwhelming membership of the Pep Club, we regret that we will not be able to list all the members' names. Members, please sign your name somewhere on this page. We should be proud that our students are so school spirited that this situation occurred.

Students in Action for Education (SAE) was founded Jan. 7, 1953 and named the Bessie Simonton Club in honor of a retired KM teacher. It was later named Future Teachers of America and later renamed SAE. The organization is governed by a board of directors and meets when deemed necessary. SAE members substitute in elementary schools and celebrate American Education Week with some activities.

The Science Club consists of upperclassmen taking a science course with an overall B average in science. Formed in 1967, the club meets once a month and presents a variety of speakers and programs which are interesting to the members.

It's major purpose is to enrich the science curriculum and promote an increased interest in science in the student body of K.M.S.H.S.

The 1978 Senior Class presentation was *The Perfect Idiot*, a three act comedy by Eunice and Grant Atkinson. The story centers around a teenage genius whose intelligence, as well as his invention that hypnotizes people, gets him in plenty of trouble with his friends, his girlfriend, the school administrators, and his parents. His efforts to get out of trouble (including a faked nervous breakdown) only succeed in getting him into more trouble. All in all, *The Perfect Idiot* was a truly delightful comedy.

The 1979 Senior Class play was *The Remarkable Incident at Carson Corners*, a play in three acts by Kristin Sergel adapted from the television show by Reginald Rose. Initially presented on Studio One, CBS-TV, the drama revolves around the death of a young boy. The death was called accidental, at first, but months later evidence appears which leads the students to believe that the boy was murdered. The resulting "trial" shows that several people were indirectly responsible for the death. *The Remarkable Incident at Carson Corners* is a fine dramatic presentation that explores life's problems and responsibilities.

This was a year for changes at KMSHS and many of them centered around our Student Council. Our student government constitution was rewritten for the first time in the history of our high school, we had a junior president and senior vice-president, the vending machines were installed in the commons, a sound system was installed in the lunchroom and a permanent school calendar for all student oriented events was put up. The 1978 homecoming parade and other related activities sponsored by the Student Council were great successes. This has been one of the best years at KMSHS.

Misery is . . . Finding out that the last name of your opponent in the next match is "Evert". When the coach tells you that you'll get to play for the first time in tomorrow's match and it rains. Tearing the seat of your tennis shorts five minutes before you're supposed to play. Being the only person to lose a match when the coach wanted a 9-0 win.

Track is one of the most difficult sports of all to participate in. The participants do not receive the glory of other sports, yet it requires a great deal of effort. The young men who participate in track have to be a dedicated group. However, there are good times involved such as good association with others and the spirit of sportsmanship. Also there is the self-satisfaction of knowing that you are striving to be the best and at the same time feel better from the daily exercises.

This year many changes occurred and we thought we'd list a few here: Mrs. Vance, the former Asst. principal and Dean of Women, left Kings Mountain Senior High School this year to become principal of East Elementary School. Mrs. Lavender, the former Chemistry and Physics teacher, became the Asst. principal and Dean of Women. Ms. Ward, graduate of

## Misc.

North Carolina State University at Raleigh, became the Chemistry and Physics teacher. Mrs. McClure, the former music teacher and Senior Choir director, retired this year. Mr. Bumgardner became the music teacher and Senior Choir director. Larry Hamrick, former SPO President, set a precedent by abdicating his position. Mike Spears, former SPO Vice President, became the SPO President this year. This year there were no senior parking privileges. This year we got drink and snack machines in the commons area. This year we had a radio/record player/8-track tape player in the lunchroom. This year the radio/record player/8-track tape player in the lunchroom was out of order. This year the assembly movies were canceled.

The 1979 *Milestones* is printed by Josten's/American Yearbook Company. Kings Mountain Senior High School participates in the Cameo program and the Comp IV plan. The *Milestones* uses Dull 199 paper with a sewed binding which is rounded and backed. American Yearbook Company has printed 750 copies of this year's *Milestones* which uses 33 special effects and 16 color pages distributed through two signatures (32 pages). The total number of pages is 224. The front endsheet is thermagrophic-style Best 318. The back endsheet is skylight 314. The cover uses two separate graphic techniques. One process is the use of American's embossed die program, dies A-1 and A-7. The second process is the use of artwork converted to silkscreen application. The application is white 325 with silver foil on the embossed date. The title, date and volume number also appear on the spine or backbone. The cover material is colored Basin 517 and the grain is typesetter. Our original yearbook salesman was Joe DeMaio who was replaced by Walt Davis. The plant consultant was Roger Baugh. We hope you enjoy the 1979 edition of the *Milestones*.

# Remember

Remember when — we went to the Pizza Hut after the Crest game and ended up having a dance; we went to Hardee's; and we could hardly wait until McDonald's was built so we didn't have to go to Shelby whenever we had a Big Mac Attack.

Remember when — you went to Belk's to find that special outfit for the Homecoming Dance; you looked all over town for a pair of nice shoes with low heels so you wouldn't be taller than your date.

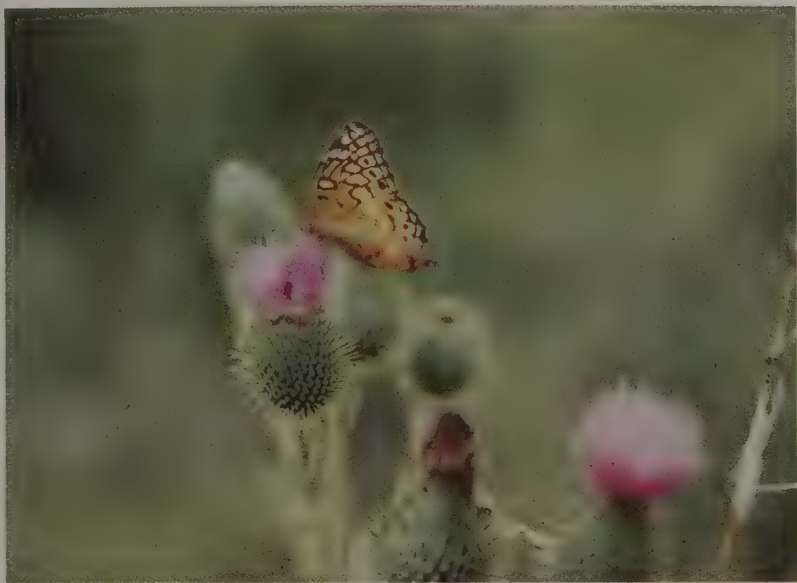

Everybody in town was so nice  
when we went to sell annual  
ads. Thank you Kings  
Mountain for caring about  
KMSHS.

The artwork displayed on these two pages comes from the pens, pencils, and paint brushes of several talented sophomore, junior, and senior art students at KMSHS. Their talent, creativity, and devotion are evident in the quality of their work presented here.

fare-well (far wel ) n. departure 2. The end of school. Sophomores soon to be juniors, juniors soon to be seniors, and seniors soon to be on their own. Signing annuals and trying to keep back the tears as you realize you may never see some of your classmates again. Cleaning out your locker, throwing away old tests, history notes, and a sandwich you brought for lunch last December but never got around to eating. Is it just junk you're tossing into the trash? Or is it a part of your life? Crying your eyes out as you play in your last band concert or sing in the final choral recital. Graduating. Realizing that you're not as glad to get out of KMSHS as you thought you would be. Getting your diploma, shaking Mr. Wheeler's hand, saying you're glad it's over as tears stream down your cheeks. Tears of joy? Tears of sadness? Or both.

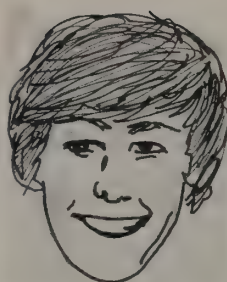

## FAREWELL

How do you go about thanking the people who have shaped your life? It has been said you learn something new everyday. Each day my life is changed through the people and experiences I encounter; each day I'm taught to be the person I am. In this book we have frozen pieces of the past for you to gaze at ten years from now and remember the way we were, but when you look at this book the second or third time, look at yourselves the way others see you. See yourself screaming your fool head off at the football games. See yourself laughing at the stupid joke the kid behind you just told. See yourself crying at the last assembly. See yourself in style at your first Junior-Senior. See yourself as an integral part of Kings Mountain Senior High School. Each of the people in KMSHS has shaped my life as they have shaped others. I would like to thank a few by name. Mr. Rountree; thanks for your guidance and wisdom. I'll probably never know how much you've shaped my life. Mrs. Bridges and Mrs. Lavender; your teachings (in and out of class) have and will prove invaluable to me. To all the people at Kings Mountain Senior High School; thanks for me.

Todd

After the last deadline has passed and all the Rule-A-Heads are packed away, the Milestones Staff has a chance to look back on their accomplishment. Now the deadlines don't seem as frantic, crop wheels are simple and grease pencils can be found in abundance.

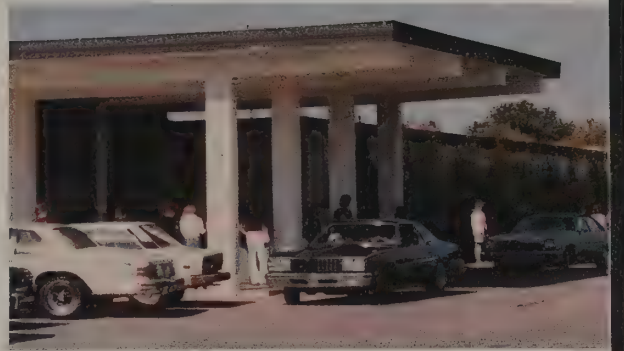

I would like to thank everyone who has helped make this book a collection of memories we will all cherish. It seems hard to believe another year has come and gone. To graduate seems ever more surprising. How did twelve years go by so fast. If there was just some way to stop time so we could see everything going on around us. That's what this annual is for. Perhaps some of the moments we've stopped and put on paper will help you remember a special person, an exciting game or a class you made a "B" in that you never thought you'd pass. I would like to thank Joni, Janet and Leslie for the "Figets" and, wish them the best of luck with next years book. I hope you have as much fun as Todd and I had with this one.

Most of all I would like to thank Joe Rountree, oh excuse me Rountree. Without his guidance, support, and stories of Davidson we would have never been able to see our dream come true. If you can look through this book and remember all the good times you've had at KMSHS, our dream has been fulfilled.

National Cartoon's Annual House is now closed for the summer.
